

ABOUT THE SCHOOL

Fairmont Preparatory Academy, founded in 1953, is a private high school located in California. It has been an IB world school since 1995. Every student who attends Fairmont is given the guidance they need to find his or her best college fit. Fairmont Academy has been awarded and recognized as a school of academic excellence, rich in culture and ethnic diversity. With a low student to teacher ratio, there is a personalized approach to learning. And 91% of graduates are accepted to a top 100 college or university.

FACILITIES

Fairmont has a technology enhanced curriculum program that features classroom technology tools and practices. A fully equipped science lab, library and computer labs, and writing center. They have a one-to-one iPad Program for students to enhance engagement and access real time content, take notes and assessments while using relevant applications.
