

MyEducation (UK) Ltd Scholarships

MyEducation is pleased to offer scholarships to assist our students to apply for our exchange program. We offer:

- **Language Scholarship**
- **International Ambassador Scholarship**

Students are eligible to apply for both scholarships but can only be awarded one. Any students who are unsuccessful in their scholarship application will be given the choice to withdraw or proceed with the high school exchange application. If a student chooses to proceed then the Early Bird Discount will be automatically applied to their program fee.

Application Deadline

- **15th May** : for programs departing between November and March.
- **1st November**: for programs departing between April and October.

Language Scholarship

The Language Scholarship is for applicants who are passionate about language learning and can demonstrate that learning a foreign language will benefit them for years to come. You must submit the following along with the required application documents:

- **a video of at least two minutes explaining why learning a language is important for you and your future and how an exchange will help to enhance your language learning.**

Your scholarship application will be judged by someone with experience of working with foreign languages.

International Ambassador Scholarship

If you enjoy communicating with people around the world and talking about your life experiences, then the International Ambassador Scholarship is for you. The recipient of an International Ambassador Scholarship will be someone who wants to share their passion about their high school exchange program and promote the benefits of the experience. This will be done by video. You don't need any prior experience to apply for this scholarship, but a passion for the topic helps!

To apply you must submit the following, along with the other required documents:

- **a video of at least two minutes explaining why you want to go on a high school exchange program and how it will help you and your future.**

Your scholarship application will be judged by an impartial person with experience of creating or working with travel promotion.

What you can gain and what is required of you as a scholarship recipient

If you are awarded the Language or International Ambassador Scholarship, you will be required to provide the following blogs or vlogs during your exchange program. You must also submit one entry prior to departure and one entry after your return home.

Program Length	Required Entries	Scholarship amount
8-10 months	4 – in months 2, 4, 6 and 8	£1,000
4-7 months	2 – in months 2 and 4	£700
1-3 months	1 – at mid-point of exchange	£500

Language Scholarship recipients will be required to document their language-learning journey and give advice to students about how to successfully practice their language skills.

International Ambassador Scholarship recipients will be required to document their exchange program as a whole and what experiences, challenges and fun they had.

Videos provided:

- Must be varied and cannot just be video of you sitting in a room speaking to the camera.
- Should highlight parts of your exchange such as school or host family life or the area that you live in or the activities that you are doing (e.g. sports, music, drama etc.)
- Should show the fun of exchange as well as talking about challenges that students might face.

Upon submission, all entries will be reviewed by the MyEducation team and, if necessary, you will be expected to make corrections. Staff will always be available to provide guidance and suggest potential topics to explore.

Required Documents

To apply for either scholarship, you must submit your scholarship application and do the following by the deadline:

- Submit an online pre-application form.
- Attend an online information session with a parent or guardian.
- Contact the MyEducation team to confirm you wish to proceed. You will then receive the correct application documents for your chosen destination.
- Submit the following documents:
 - Personal application form.
 - Letter to your host family in English.
 - Letter to your host family in the local language, if applying for a non-English speaking destination.
 - Photo collage.
 - Copies of your previous 3 years of school reports.
 - School references.
 - Medical form.

NB. You only need to submit the medical form if you are certain you will proceed with the application if you are not successful in your scholarship application. This is because of the costs of GP appointments and possible vaccinations.

- All terms and conditions documents and releases for MyEducation and its partner organisation.
- Any additional application forms or video entries for your chosen destination.

Once your application has been received by the MyEducation office, a staff member will contact you to arrange your interview, which forms part of the acceptance process. Your scholarship application will be shared with the independent adjudicator for assessment. MyEducation will aim to confirm the successful applicants within 30 days of the deadline.

If you are not awarded a scholarship you can choose to withdraw from the program. If you decide to proceed, the Early Bird Discount will be applied to your program fee. Whether or not you are awarded a scholarship, a 20% deposit will be requested and your application will be sent to our partner for final acceptance and placement.
